WOMAN'S HEALTH.

It is a lamestable fact, that from causes not generally understood, female suffering appears to be on the increase. The sweet young girl just omering into womanhood soon becomes pale, feells, emachated, lifeless, with headaches, pains and aches, loss of appetite, palpitation of the heart, cold feet and hands, and appears to loose that youthful vim and sprightliness so much admired. The middle uged married lady is no less exempt from some troublesome annoyance. She continually granting and fretting with pams and aches, her s.-redions are all impaired, her energies are lost, she forces herself in into society, she "sours" on almost everybody, her health slowly declines until she becomes a mere drone in her own household. And she at the "turn of lite" is no stranger to suffering peculiar to her sex at that age. Habits, climate sad institution surely bring about THESESAD RESULTS that are now hurling thousands of females, old and young to untiliney graves. Exercise your reason. about THESE SAD RESULTS that are now hurling thousands of fema.es, old and young to untimely graves. Exercise your reason, your judgment, and protured Dr. Dromgoole-English Female Bittors, as they will cure the above female troubles in an increditably shortime.
